**ALLIANCE**  
KNIT COMPOSITE LTD.

## Mission - Vision - Motto

### Mission

To establish AKCL as a one-stop source for the Global Knit Apparel market.

### Vision

To satisfy and meet customers' expectations by developing and providing products and services on time, which offer value in terms of Quality, Price & Safety.

To provide the employees internationally acceptable working condition /standards.

To attain highest level of competence through continuous development of the professional management system and to ensure complete transparency in all aspects of business.

### Motto

Human Spirit | Ethical Business Practice | Protecting Environment

**ALLIANCE**  
KNIT COMPOSITE LTD.

## Principles & Philosophy

### Philosophy

Alliance is known as an entity whose main driving force is its Human Spirit.

### Principles

We distinguish ourselves by adhering to clear values that have shaped our actions, products, and strategies. These principles define the way we operate and produce, guiding all those working under the name "Alliance". We hold our leaders accountable for making our values concrete and promoting our ethics through passion and perseverance. We ensure consistency by measuring and monitoring every aspect of the business to define a pathway for ethical and product excellence.

**ALLIANCE**  
KNIT COMPOSITE LTD.

# Textile R&D

Textile R&D is standing at the center of generating business with plenty of opportunity to create thousands of innovative products to the fashion line.

It works with the latest textile technology to generate business concepts, then transforming the concepts into commercial products.
