WORKING AREA WORKING STUFF

About Alliance

Alliance is one of the leading textile companies with a considerable reputation in dyeing, printing, finishing fabrics and manufacturing readymade garments in Bangladesh. AKCL was established in June 2007. It is located at Saver, Ashulia industrial area in Dhaka district which is 10 Km away from Hazrat Shahajalal International airport. AKCL's working area covers 4,80,813 sft. and has more than 3000 skilled and experienced workforces.AKCL earns expertise in producing various kinds of garment products such as all types of knit-with-undergarments for men women& kids

Mission

Mission - Vision - Motto

To establish AKCL as a one-stop source for the Global Knit Apparel market.

Vision

To satisfy and meet customers' expectations by developing and p ro vid ing p ro d uc ts and s e rvic e s o n time , whic h o ffe r value in terms of Quality, Price & Safety.

To provide the employees internationally acce ptable working condition /standards.

To attain highest level of competence through continuous development of the professional management system and to ensure complete transparency in all aspects of business.

Principles & Philosophy

Philosophy

Alliance is known as an entity whose main driving force is it's Human Spirit.

Principles

We distinguish ourselves by adhering to clear values that have shaped our actions, products, and strategies. These principles define the way we operate and produce, guiding all those working under the name "Alliance". We hold our leaders accountable for making our values concrete and promoting our ethics through passion and perseverance. We ensure consistency by measuring and monitoring every aspect of the business to define a pathway for ethical and product excellence.

Textile R&D

Textile R&D is standing at the center of generating business with plenty of opportunity to create thousands of innovative products to the fashion line.

It works with the latest textile technology to generate business concepts, then transforming the concepts into commercial products.

Design Studio

Europe based Design Expert providing constant market shop visits updates and analyses with regular competitive product shopping.

DESIGN COLLECTIONS - REACTIVE

Reactive Men's, Women's and Kids' Design Collections for Casual and Active-wear based on directions received from Customers.

PRODUCT DEVELOPMENT

Product Development Capability on the concepts shared by customers.

IN-HOUSE SAMPLE-ROOM

Dedicated Sample-Room facility to create prototypes based on own concepts as well as customer tech-packs

DESIGN COLLECTIONS - PROACTIVE

Proactive Men's, Women's and Kids' Design Collections for Casual and activewear based on Seasonal trends.
